Request for Special Temporary
Authority to Remain Silent

Dear Mr. Gleixner:

This letter concerns the request you filed on July 21, 2016, on behalf of Virginia Tech Foundation, Inc. ("VTF"), for Special Temporary Authority (STA) to permit FM Translator Station W238BN to remain silent.

VTF's request states that Station W238BN went silent on June 30, 2016, pending the proposed modification of its facilities. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

VTF's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W238BN to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W238BN will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., July 1, 2017.**²

VTF is required to notify the Commission when broadcast operations resume.³ If VTF does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.⁴

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.⁵

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau
