Re: KHSX-LP, Houston, TX (Fac. 193530); Request for Extension of
Construction Permit BNPL-20131113BQN

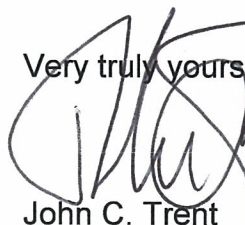

Dear Madam Secretary:

On behalf of His Sanctuary Ministries USA International, Inc., ("HSM"), the Permittee of KHSX-LP, Houston, Texas (Fac. 193530) (the "Station") and pursuant to 47 C.F.R. § 73.3512 of the Commission's Rules, we respectfully request an 18-month extension of its original construction permit BNPL-20131113BQN granted on February 2, 2015.

Good cause exists for an extension of this instant construction period because HSM has had difficulties with its tower site lease location. Crown Tower rescinded the tower site lease and as a result, the lease has to be re-negotiated which will require additional time. The licensee is a nonprofit organization and the Board of Directors is still in the process of raising funds to purchase the required equipment to build and operate the Station. Also, the Board of Directors is still working to obtain the required telephone lines, T1 lines and other technical equipment.

If you have any questions regarding this construction permit extension request, please feel free to contact this office.

Very truly yours,

John C. Trent
