### **CERTIFICATION OF KARI CONRAD**

#### **Under the terms of WVBU-FM's Consent Decree, August 21, 2015**

I, Kari Conrad, certify as follows as required by the Commission's August 21, 2015 Consent Decree concerning Bucknell University's non-commercial educational radio station, WVBU-FM Lewisburg PA (Facility ID No. 7722) (the "Station"):

1. I am employed by Bucknell University as an Associate Dean of Students. My responsibilities as Associate Dean include supervision of the University's Director of Campus Activities and Student Media, the employee with responsibility for advising students in the operation of the University's non-commercial educational radio station, WVBU-FM (the "Station").<sup>1</sup>
2. I conducted an audit of the Station's public file on August 23, 2016.
3. To the best of my knowledge and belief, WVBU-FM's public file complies with the Public File Rule at 47 C.F.R. §73.3527, with the following exceptions:
  - a. As noted in the Commission's August 21, 2015 Order and Consent Decree, WVBU-FM's public file is not located in its main studio due to the security restrictions on the building housing the Station's studio. In its Order, the Commission waived 47 C.F.R. §73.3527(b)(1) on a prospective basis to allow the file to be housed in the University's publicly-accessible Student Center.
  - b. The Issues/Programs list for the fourth quarter of 2015 (October to December 2015) was filed on February 1, 2016, rather than on January 10, 2016, with the delay caused in large part by the University's winter break. As required by the Consent Decree, this late-filed list was reviewed and signed by WVBU's Student Media Adviser and Station Manager and is accompanied in the Station's public file with a statement detailing the date the list was placed in the public file and the reason for the late filing.
  - c. The Public File does not contain the Station's 2016 Ownership Report, which has not yet been filed with the Commission pending the University's completion of the collection of required information from its Board of Trustees. We are working toward compliance in this regard.

I declare under penalty of perjury that the foregoing is true and correct.

Kari Conrad  
Associate Dean of Students

<sup>1</sup> This Certification would typically be filed by the University's Director of Campus Activities and Student Media. However, our current Director of Campus Activities and Student Media only recently assumed this position, beginning on August 22, 2016. Our previous Student Media Adviser resigned effective June 15, 2016.
