Subject: BPED-20070122AAE Tower Height AGL

Art,

In the matter of the tower height AGL for KRVM-FM BPED-20070122AAE.

I sent an engineer to the site to do an actual measurement of the tower.

The results are:

The overall tower height above ground, with all appurtenances, is 32-meters.

If you have any questions please contact me directly.

Thank You,

Joe DiPietro
