Request for Extension of Construction Permit

Dear Ms. Dortch:

On behalf of our client, Center for Careers and Training ("CCT"), we request an extension of the above captioned construction permit, for new LPFM station KCXU-LP to serve San Jose, California (granted April 16, 2015). The current construction period expires on October 16, 2016. CCT seeks an extension of its initial construction permit in order to secure a more desirable transmitter site. Therefore, we are writing to request an 18 month extension of the construction permit pursuant to 47 C.F.R. § 73.3598(a).

Please let me know if you have any questions, or require further information on this matter.

Respectfully submitted,
