Dear Mr. Gutmann:

This is in reference to the above-captioned application for license filed by JMK Communications, Inc. (JMK), the December 21, 2006, reduced power limited PTA, and the March 19, 2007, request for extension of time to amend.

Authority is granted WPWC(AM) to continue **limited program tests** in accordance with the December 21, 2006, reduced power limited PTA.

This authority expires on June 21, 2007.

Further action on the subject application will be withheld to allow JMK to resolve all problems by filing a curative amendment (along with an FCC Form 301 minor change application to augment the day pattern if required). Failure to respond or amend will result in the dismissal of the application pursuant to Section 73.3568 of the Commission's rules.

Sincerely,
