Re: Notification of Reduced Power Operation  
Board of Regents, University of Wisconsin System  
NCE Station KUWS(FM), Superior, WI (Facility ID 4289)

Dear Ms. Dortch:

On behalf of the Board of Regents, University of Wisconsin System (the "University"), licensee of noncommercial educational radio Station KUWS(FM), Superior, Wisconsin, and pursuant to Section 73.1560(d) of the FCC's Rules, we hereby inform the Commission that KUSW is operating at a reduced power due to work occurring at its transmitting site.

Station KUWS has been operating at approximately 40% of its authorized power level since September 17, 2016 in order to allow another station at the transmitting site location to conduct work on its antenna system. The University will resume full power service for KUWS at the conclusion of the site work, which is expected to require approximately one additional week.

The University is a noncommercial educational licensee and operates KUWS on a noncommercial educational basis. Moreover, the University qualifies as a governmental entity. The licensee is therefore exempt from FCC filing fee and regulatory fee requirements for KUWS, pursuant to Sections 1.1116 and 1.1162 of the Commission's rules. Should any questions arise regarding this matter, kindly contact this office.

Very truly yours,

Barry S. Persh  
Counsel for Board of Regents,  
University of Wisconsin System
