In re: **W238AX, Savanna, IL**
Facility ID No. 152488
Silent since March 11, 2016
Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Neely:

This letter concerns the request you filed on September 26, 2016, on behalf of Midwest Communications, Inc. ("MC"), for extension of Special Temporary Authority (STA) to permit FM Translator Station W238AX to remain silent.

Commission records reflect that MC stated that Station W238AX went silent on March 11, 2016, for technical reasons. The previous STA was granted on April 8, 2016, and expired on October 5, 2016. MC requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

MC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W238AX to remain silent until March 11, 2017. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W238AX will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., March 12, 2017.**¹

MC is required to notify the Commission when broadcast operations resume. If MC does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau
