Re: Notification of Relocation of Main Studio
WOO (Construction Permit), Dillsboro, NC (Fac. ID No. 184618)

AUDIO DIVISION

Dear Ms. Dortch:

On behalf of Western Carolina University, permittee of WOO(FM), Dillsboro, North Carolina, please be advised that WOO's main studio will be relocated as of October 19, 2016, at which time the main studio will be located at

233 Stillwell Building
246 Central Drive
Cullowhee, NC 28723

For clarity, this new location remains on the Western Carolina University campus, and, as such, may not actually represent a change in main studio location, but the licensee is filing this notification out of an abundance of caution. As this new address remains within 25 miles of WOO's community of license, the relocation is permissible under Section 73.1125 of the Commission's rules.

Should you have any questions concerning this matter, it is respectfully requested that you communicate with this office.

Sincerely,

Stephen Hartzell
Counsel to Western Carolina University
