Dear Licensee:

In light of the November 16, 2016 grant of construction permit BPED-20160210ABS, and the nearly identical mast-mounted antenna parameters sought in this STA request as compared to the construction permit, we conclude that this STA is no longer necessary. KIBH-FM can now pursue implementation of the construction permit without resorting to interim facilities. This STA request IS DISMISSED.

Sincerely,

Dale Bickel
