Re: Fayette Broadcasting Corp
Licensee of AM Radio WMBS/Asset Purchase Agreement
FM Translator W277CN

Dear Secretary:

Please be advised that our office represents Fayette Broadcasting Corp in regard to the above mentioned asset purchase agreement for the FM Translator W277CN.

I have enclosed a copy of the Asset Purchase Agreement as well as the Assignment of FCC Licenses and the Construction Permit.

As you can see, the construction permit expires on December 6, 2016.

The within correspondence is a request to extend this deadline so as to allow our client to complete the acquisition of all necessary equipment and the completion of the installation upon their tower.

Please be advised that our client has ordered the FM Translator and the antenna will be mounted upon the east tower which is owned by Fayette Broadcasting Corp.

Our engineer handling the project expects that the equipment will be delivered early in December and they should be able to have the station on the air within a few weeks after receiving the equipment.

Sincerely yours,
