Dear Licensee:

By letter dated November 24, 2000, the Video Division dismissed the Statements of Eligibility for Class A Low Power Television Status filed by Southern TV Corporation, the licensee of the above-referenced low power television stations. Southern filed a timely application for review. We agree, for the reasons set forth in the application for review, that the dismissal of the Statements of Eligibility was predicated on an inaccurate database designation of these stations as translator stations. Accordingly, we will treat the application for review as a petition for reconsideration and the petition for reconsideration IS GRANTED and the Statements of Eligibility for the above-referenced stations ARE ACCEPTED.

Sincerely,

Barbara A. Kreisman  
Chief, Video Division
