Re: KLQV (FM), San Diego, California  
Facility Identification Number: 51164  
Univision Radio License Corporation  
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed July 7, 2006, on behalf of Univision Radio License Corporation ("Univision"). Univision requests extension of the special temporary authority ("STA") granted on April 17, 2006, to operate Station KLQV with reduced power.<sup>1</sup> In support of the request, Univision states that maintenance work and equipment testing continues at the station's transmitter site.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Our review indicates that the licensee has made progress toward restoration of licensed operation, but additional time is required for completing the work. Thus, extension of STA is warranted.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station KLQV may

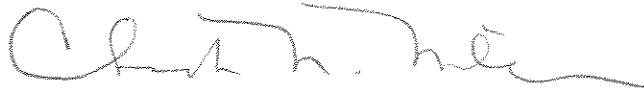

---

<sup>1</sup> KLQV is licensed for operation on Channel 275B (102.9 MHz) with effective radiated power of 32 kilowatts (Max-DA, H&V) and antenna height above average terrain of 188 meters. Construction Permit BPH-20041014AFB authorizes installation of an omnidirectional antenna.

operate with reduced power. Univision must notify the Commission when licensed operation is restored. Univision must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

This authority expires on **September 21, 2007**.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles N. Miller". The signature is fluid and cursive, with a long horizontal stroke at the end.
