BSTA-20161122ACB

Dear Licensee:

This is in reference to the request filed November 22, 2016, on behalf of Educational Media Foundation ("EMF"). EMF requests Special Temporary Authority (STA) to operate slightly at variance to licensed parameters, while it prepares a construction permit application to make the corrections to coordinates and elevations.

We have examined the small changes and conclude that they are unlikely to affect any proposed or authorized facilities. Accordingly, the request for STA IS GRANTED to operate as proposed in the STA request.

**This authority expires on May 28, 2017.**

Sincerely,

Dale Bickel
