Special Temporary Authorization

Dear Mr. Schrecongost:

This is in reference to the request filed May 16, 2006, on behalf of Vernal Enterprises, Inc. ("VEI"), for further extension of the special temporary authority (STA) originally granted on June 24, 2002, to operate Station WHPA with reduced power and/or antenna height.¹ In support of the request, VEI provides a report of its progress toward relocating the station.

Our review indicates that, subsequent to the filing of the extension request, VEI was granted Construction Permit BPH-20051206AGI, and that Application BLH-20060817AAO, for license to cover the permit, was granted on November 17, 2006. Thus, STA is no longer necessary.

Accordingly, the May 16, 2006, request for extension of STA IS HEREBY DISMISSED. This action is taken pursuant to 47 CFR Section 0.283.

Sincerely,

Charles N. Miller, Engineer
