Station WKDM(AM), New York, New York
Facility Identifier Number 71137
File Number BPTA-20160919ADW

Dear Ms. Dortch:

Transmitted herewith on behalf of Multicultural Radio Broadcasting Licensee, LLC ("MRBL"), the licensee of Station WKDM(AM) identified above, are an original and two copies of its request for an extension of Program Test Authority ("PTA") which was granted to MRBL for WKDM on October 6, 2016. Its PTA expires today, December 6, 2016 and the WKDM Method of Moments license application remains pending. Please see BMML-20160919ADV. MRBL hoped that the FCC would act on the WKDM license application before its PTA expired. Since this has not occurred, MRBL respectfully requests an extension of the WKDM PTA.

If there are any questions about this Request, please contact undersigned counsel for Multicultural Radio Broadcasting Licensee, LLC.

Sincerely,

Mark Lipp
