**Re: Request for Conditional Grant of Construction Permit Prior to Completion of
International Coordination
Construction Permit for FM Translator Channel 277
Simi Valley, SC/San Diego, SC
FCC Facility ID No. 34426
File No. BPFT - 20160729AKS**

Dear Mr Gates:

This request is being submitted on behalf of AMFM Broadcasting Licenses, LLC. ("AMFM") to request grant of the above detailed application with the following special condition with regard to the international notification process.

"This application is being granted prior to the completion of the international notification process. Therefore, any construction of and operation with the facilities specified herein is at applicant's own risk and subject to modification, suspension or termination without right to hearing, if objected to by the Instituto Federal de Telecomunicaciones ("IFT") in Mexico or if found by the Commission or the IFT to be necessary in order to conform to the 1992 USA-Mexico FM Broadcasting Agreement. This condition will be removed if formal acceptance of the facilities granted herein is received from IFT."

Please direct communications regarding this request to the undersigned.

Respectfully submitted,

A handwritten signature in blue ink, reading "Troy G. Langham".
