STATEMENT IN SUPPORT OF PETITION FOR RECONSIDERATION

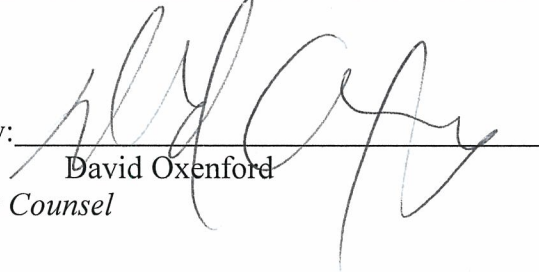

Bowers Broadcasting Corporation ("Bowers"), by its attorneys, hereby files this statement in support of the Petition for Reconsideration filed by AJG Corporation ("AJG"). That Petition sought reconsideration of the denial of the extension of time to consummate the above-referenced assignment of license application. Bowers, as the proposed assignee, continues to stand ready to close the sale of its stations to AJG. Bowers continues to be owned by Linda Bowers, who plans to retire after the sale of the stations that her late-husband operated for many years. If the Petition for Reconsideration is denied, that will require the re-filing of the assignment application, which initially took approximately 18 months for the FCC to approve. The refiling and processing of the assignment will impose just another delay and expense that Bowers will have to endure.

From the statements of AJG, it appears that the assignee may finally be in a position to close this transaction in the relatively near future. Bowers joins AJG in requesting that no additional obstacles be placed in the way of the conclusion of this long-drawn out sales process.

Thus, Bowers joins AJG in requesting that the Petition for Reconsideration be granted and additional time in which to consummate the transaction be permitted.

Respectfully Submitted,

BOWERS BROADCASTING CORPORATION
