Re: Notification of Resumption of Operations
WENJ(FM), Millville, New Jersey (Facility Id. 72981)

Dear Ms. Dortch:

On behalf of Townsquare Media Atlantic City II License, LLC, the licensee of the above-referenced station, this is to notify the Commission that the station has resumed operations within licensed parameters.

On January 24, 2017, the licensee requested special temporary authority to continue operating the station at reduced power due to failed tuning components within the transmitter (BSTA-20170124ABY). On February 7, 2017, the necessary repairs were completed and the station returned to full operations.

Should there be any questions regarding this matter, please contact undersigned counsel.

Very truly yours,

Howard M. Liberman
