Dear Mr. Hashemzadeh,

This letter is to ask, beg if necessary, to renew the license for KVPS-LP. Yes we have been off the air, but we have been working hard to return.

Mr. Jim Frame had promised to keep us on the air. He did not keep that promise even after many reassurances that left us with a big time problem and an all new learning curve.

Unfortunately my life was then interrupted by a stroke, that further complicated the problems. Fortunately Mr. Best came on the scene and we completed several important projects.

Mr. Hashemgadeh

FCC Mailroom

We also now have new people to work with. People with a proven track record in LPTV. Thankfully we are fully prepared to go back on the air as a serious station.

For what it is worth, before my stroke, I was already a disabled Vet. Losing all the money that has been invested in this license would be a tremendous hardship.

Please allow us to continue. Please!

Hopefully,
Joseph Gath
