Delmarva Broadcasting Company
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed October 18, 2006, on behalf of Delmarva Broadcasting Company (DBC). DBC requests further extension of the special temporary authority (STA) originally granted on November 25, 2003, to operate Station WDEL with parameters at variance from licensed values and/or reduced power while maintaining monitor points within licensed limits.¹ In support of the request, DBC states that it has completed necessary measurements and has filed an application for direct measurement of operating power.

Our review indicates that Application BZ-20061012ADA was granted on April 17, 2007. Thus, SAT is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
