First State Communications, Inc.
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed October 20, 2006, on behalf of First State Communications, Inc. ("FSC"), for further extension of the special temporary authority ("STA") granted on June 3, 2004, to operate Station WPTF during nighttime hours with parameters at variance and/or reduced power while maintaining monitor points within licensed limits.

Our review indicates that Application BZ-20061211ADR, for direct measurement of operating power, was granted on June 12, 2007. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
