

As of 3pm eastern time on May 3, 2017 IBN has voluntarily reduced power at W265AV (facility #28332) to 50% due to complaints filed by Mr. Nelson Rodriguez owner of WJES-FM Maysville, GA on February 3, 2017.

Furthermore, IBN has submitted an STA Application (20170428AAR) requesting permission to operate W265AV at 50% power (0.052kW) while exploring options.

Given this reduced power operation, there should be no question as any outstanding interference from W265AV to the prior complainants.

Respectfully submitted,
