REQUEST FOR DISMISSAL OF APPLICATION

Dear Ms. Dortch:

On behalf of CSN International ("CSN"), we hereby request that the above-captioned pending license modification application be dismissed. Application BMLED-20050926ALE was submitted in response to a misunderstanding that the WJYJ-FM coax line had been replaced. Today CSN verified that such changes have not yet occurred. (Please see attached email from Lois Mills). Accordingly, application BMLED-20050926ALE must be dismissed.

Should any questions arise concerning this matter, please contact the undersigned.

Sincerely,

Cary S. Tepper

Cary:

Apparently there has been a miscommunication about the changing out of the coax on the WJYJ tower. Today we had someone go out to the tower site and measure the cable on the tower and it's still the 3" line. The 1 5/8" cable was sitting at the site, still on the spool. CSN needs to have the modification application dismissed. If you need any more information, please let me know.

Thanks,
Lois
