ORDER TO SHOW CAUSE

UNLESS YOU OBJECT, the license of station KGLA, GRETNA, LA will be modified pursuant to Section 316(a) of the Communications Act of 1934, as amended, to specify nighttime operation. This will permit you to operate at night beginning on the date set forth below with a nominal power of 12.0 watts. ( Instructions for calculating the actual operating power are enclosed. )

IF YOU AGREE TO THIS MODIFICATION, it will be necessary to follow the enclosed instructions and to send the required notification to the Commission before nighttime operation can begin.

-- NIGHTTIME OPERATION FOR YOUR STATION CAN BEGIN ON DECEMBER 1, 1987. --

IF YOU OBJECT TO THIS MODIFICATION you may, pursuant to SECTION 1.87 of the Commission's Rules, request that a hearing be held on the proposed modification or file a written statement in opposition to the modification proposed in this Order to Show Cause. In such case, the Commission will conclude that Station KGLA does not wish to have nighttime operation, and the station license will not be so modified. Instead, it will retain its current daytime-only authorization.

----- THE DEADLINE FOR FILING SUCH AN OBJECTION IS January 4, 1988. -----

PLEASE NOTE: In the event the Commission receives no written opposition to the proposed modification, the right to a hearing will be considered to have been waived, and the licensee of Station KGLA will be deemed to have consented to the modification.
