Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Kelly:

This letter concerns the request you filed on April 24, 2017, on behalf of Mountain View Public Broadcasting (MVPB), for extension of Special Temporary Authority (STA) to permit FM Radio Station KSFH to remain silent.

Commission records reflect that MVPB stated that Station KSFH(FM) went silent on July 31, 2016, for technical reasons. The previous STA was granted on October 28, 2016, and expired on April 26, 2017. MVPB requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

MVPB's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KSFH(FM) to remain silent until July 31, 2017. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KSFH(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., August 1, 2017.**¹

MVPB is required to notify the Commission when broadcast operations resume. If MVPB does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
