AUDIO DIVISION

Dear Staff:

Calvary Chapel of Twin Falls, Inc.(CCTF) respectfully notifies the Commission that KGSF, Huntsville went off air on April 5 due to a lightning strike. CCTF's contract engineer was able to place the station back on the air with a 250 watt amplifier on April 6, 2017. An FM 500 has been shipped to KGSF to bring the TPO to 500 watts until the transmitter, which was shipped back to the factory, can be repaired and reinstalled at the site. If normal operations have not resumed within the specified 30 days an STA request to continue operations at reduced power will be electronically filed.

Sincerely,

Lois Mills  
Applications Technician
