Re: KEJL(FM), Eunice, NM
Fivestar Enterprises LC
Facility ID Number 40206
File Number BPH-20070116AAM

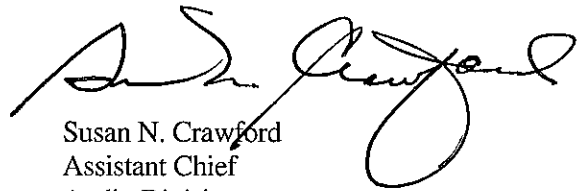

Dear Applicant:

This letter refers to the above-captioned Fivestar Enterprises LC ("Fivestar") minor change application requesting modification of the licensed KEJL facility (BLH-19981118KA). The application proposes to change the KEJL FM assignment from Channel 265C2 to Channel 265C1 at Eunice, NM, as well as to change the KEJL antenna location, effective radiated power, and antenna height.

On April 23, 2007, Commission staff sent Fivestar a letter stating that it must amend its application within 30 days of the date of the letter to correct the antenna height data specified in the application. In the letter, the Commission cautioned that failure to correct all tender and acceptance defects in application BPH-20070116AAM within the specified time period would result in dismissal of the application with no further opportunity for corrective amendment pursuant to 47 C.F.R. Section 73.3564.

To date, Fivestar has not responded to the Commission's April 23, 2007, letter. Failure to prosecute an application, or failure to respond to official correspondence or request for additional information is cause for dismissal of the application pursuant to 47 C.F.R. Section 73.3568(a)(1). Therefore, application BPH-20070116AAM IS HEREBY DISMISSED for failure to prosecute. This action is taken pursuant to 47 C.F.R. Section 0.283.

Sincerely,

Susan N. Crawford
