Dale,

We are under an STA that expires on 07/11/2017. Our facility is back up to full power as of 06/09/2017, therefore there is no need for us to continue under STA. Is there any acknowledgement of this that needs to be placed in our public file? Here is the relevant information:

KRBX (FM) Caldwell, ID

Boise Community Radio Project, Inc

Facility ID #: 173448

STA# BSTA-20170109ABQ

Thanks for your time.
