**Re : Petition for Reconsideration for Reinstatement of License  
Attention : Media Bureau Audio Division.**

**Dear Secretary of the Commission :**

**I am Dr. Bradford G. Brown of Brown Broadcasting Systems DWBKZ 880 AM formerly located in Athens Georgia @ 165 Milledge Avenue. The license expired for lack of its timely renewal. Please note that this all happened after the fire at 165 Milledge Avenue in Athens Georgia that resulted in a Total Loss to the Building as well as all Radio Equipment. As well , I am attesting to the fact that I never received a copy of the renewal demand after the fire , while I do not question your judiciousness in sending the document. I request , under the circumstances , that you would reconsider allowing me the opportunity to renew those license and bring the DWBKZ 880 AM , Brown Broadcasting System back on line , while fulfilling all the requirements set forth, in an appropriate manner, for doing so. I realize that those call letters may no longer be available. While I understand that you are under no obligation to accommodate my request in a way that is favorable to me , I hope that you will attempt , to the best of your ability, to do so.**

**Even if this situation does not work out in a way that I would desire , my compliments to the way in which your agent , Mr. David Trout, has so diplomatically, respectfully and expertly handled my questions and my situation thus far, in every way.**

**Thank you for your consideration of this most respectful request. I look forward to hearing from you at your earliest convenience.**

**Respectfully ,**

  
**Bradford G. Brown , M.D., Ph.D.**
