10. Transmitter location : 1800 Briarcliff Road,
Atlanta, Georgia

11. Transmitter(s) (See Sections 73.1660, 73.1665 and 73.1670 of Commission's Rules) : Type Accepted

12. Obstruction markings specifications in accordance with the following paragraphs of FCC Form 715: 1,3 8,17,21.

13. Conditions: Grant of this license does not preclude the reclassification of WPCB after March 1, 1987. Also, this grant does not preclude reclassification before March 1, 1987 if an application is filed by WPCB for a change in facilities after the grant of this license.

The Commission reserves the right during said license period of terminating this license or making effective any changes or modification of this license which may be necessary to comply with any decision of the Commission rendered as a result of any hearing held under the rules of the Commission prior to the commencement of this license period or any decision rendered as a result of any such hearing which has been designated but not held, prior to the commencement of this license period.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by section 606 of the Communications Act of 1934.
