**Re: Notification of Reduced Power  
KFRI, West Odessa, TX (FIN: 85633)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation (“EMF”), the licensee of non-commercial FM station KFRI, West Odessa, Texas, and pursuant to Section 73.1560(d) of the Commission’s rules, this letter is to notify the Commission that KFRI has been operating at reduced power since June 29, 2017.

KFRI has been operating at reduced power since June 29, 2017 as a result of damage to the transmitter. If EMF is unable to return KFRI to full power within 30 days, EMF will request special temporary authority to allow KFRI to continue operating at reduced power, as required by the Commission’s rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

  
Mary O'Connor
