In re: Low Power Television Application of:
KDBC License, LLC
Channel 36 Alamogordo, NM
File number: BDCDDTT-20060331AJK
Facility Id No.: 33766

Dear Applicant:

This refers to your above-captioned application for a construction permit authorization in the low power television service.

Because your proposed transmitter site is in close proximity to the Mexican border, coordination with the Government of Mexico was mandatory as prescribed by the Mexican USA Television Agreement. As a result of this coordination, the Mexican Department of Communications has informed the Commission that it would object to the grant of your proposed facilities, because it does not comply with the distance required for protection of channel 36 Cd. Juarez, Chih.

Consequently, your application can not be granted and is HEREBY DISMISSED.

Sincerely,

Hossein Hashemzadeh
Associate Chief
