CERTIFICATION OF BRENT PAPSON

Under the terms of WVBU-FM's Consent Decree, August 21, 2015

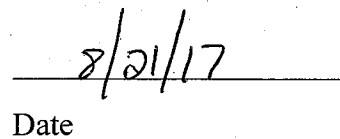

I, Brent Papson, certify as follows as required by the Commission's August 21, 2015 Consent Decree concerning Bucknell University's non-commercial educational radio station, WVBU-FM Lewisburg PA (Facility ID No. 7722) (the "Station"):

1. I am employed by Bucknell University as the Director of Campus Activities and Student Media. In this capacity, I have responsibility for advising students in the operation of the University's non-commercial educational radio station, WVBU-FM (the "Station").
2. I conducted an audit of the Station's public file on 8/21/2017.
3. To the best of my knowledge and belief, WVBU-FM's public file complies with the Public File Rule at 47 C.F.R. 73.3527, with the following exceptions:
 - a. As noted in the Commission's August 21, 2015 Order and Consent Decree, WVBU-FM's public file is not located in its main studio due to the security restrictions on the building housing the Station's studio. In its Order, the Commission waived 47 C.F.R. §73.3527(b)(1) on a prospective basis to allow the file to be housed in the University's publicly-accessible Student Center.
 - b. The Public File does not contain the Station's 2016 Ownership Report. The Station's current ownership report is in the Public File, and it will be filed with the FCC when online filing is reopened.

I declare under penalty of perjury that the foregoing is true and correct.

Brent Papson

Director of Campus Activities and Student Media
