Subject: FW: Grant of STA extensions

Hossein –

On behalf of Summit Public Radio & TV, Inc., we hereby request extension of the STAs to operate DK12EK and DK08EM for an additional six months beyond the current STA expiration date of September 21, 2017. The reason is the same as in previous filings. Summit awaits an opportunity to file for new CPs for these facilities that provide television service to a population that otherwise would not receive the signals of the stations carried because of mountainous terrain. I am forwarding copies of the most recent extension grants. Those were requested as experimental grants in LMS, and you advised us at the time of those grants that you were moving the facilities out of LMS back into CDBS and that we could file email requests for additional STA extensions. Summit will pay the fees online with Form 159.

Please let me know if there is anything else we need to do to get the requested extensions.

Best,
Larry
