Re: K211DD (FT), Yuma, Arizona  
Facility Identification Number: 76687  
Calvary Chapel of Twin Falls, Inc.  
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed November 16, 2007, on behalf of Calvary Chapel of Twin Falls, Inc. ("CCTF"). CCTF requests special temporary authority ("STA") to operate Station K211DD with temporary facilities.<sup>1</sup> In support of the request, CCTF states that the licensed tower is scheduled to be dismantled, and that it has located a new site for the station.

Our review indicates that, simultaneous with the STA request, CCTF filed Application BPFT-20071116ABL, to permanently relocate the station to the proposed STA site, and that the construction permit was granted today. Thus, STA is not necessary.

Accordingly, the request for STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer  
Audio Division  
Media Bureau

cc: Calvary Chapel of Twin Falls, Inc.

---

<sup>1</sup> K211DD is licensed for operation on Channel 211D (90.1 MHz) with effective radiated power of 0.05 kilowatt (V) and antenna height above average terrain of 18 meters.
