Re: Notification of Reduced Power
KLCX, Pueblo, CO (FIN: 25526)

Dear Ms. Dortch:

On behalf of Educational Media Foundation (“EMF”), the licensee of non-commercial FM station KLCX Pueblo, Colorado, and pursuant to Section 73.1560(d) of the Commission’s rules, this letter is to notify the Commission that KLCX has been operating at reduced power since June 20, 2017.

KLCX has been operating at reduced power since June 20, 2017 as a result of an issue with the grid tuning circuit. If EMF is unable to return KLCX to full power within 30 days, EMF will request special temporary authority to allow KLCX to continue operating at reduced power, as required by the Commission’s rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary O'Connor
