Re: Notification of Reduced Power
WMHK, Columbia, SC (FIN:12410)

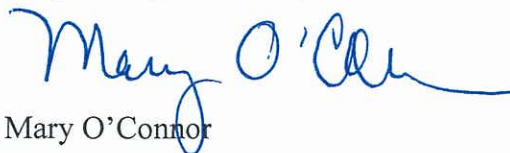

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM station WMHK, Columbia, South Carolina, and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that WMHK has been operating at reduced power since November 11, 2016.

WMHK has been operating at reduced power since November 11, 2016 when the directional antenna was damaged. EMF is unable to repair the antenna due to age so a replacement will need to be ordered. If the replacement takes longer than 30 days, EMF will request special temporary authority to allow WMHK to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary O'Connor
