**Re: Notification of Reduced Power
WKDL-FM, Brockport, NY (FIN:15834)**

Dear Ms. Dortch:

On behalf of Brockport Licenses, LLC ("Brockport"), the licensee of FM station WKDL-FM, Brockport, New York and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that WKDL has been operating at reduced power since September 23, 2016.

WKDL has been operating at reduced power since September 23, 2016 when the transmitter failed and a temporary transmitter was put into service. Brockport hopes to have WKDL back to full power in the next few days. However, if the repairs take longer than 30 days, Brockport will request special temporary authority to allow WKDL to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary O'Connor
