Re: **KTUM-FM (88798)**  
**Tatum, NM**

**NOTIFICATION OF RESUMPTION OF LICENSED OPERATIONS**

Dear Ms. Dortch:

On behalf of **MTD, Inc. ("MTD")**, Licensee of **Radio Station KTUM-FM at Tatum, New Mexico**, we hereby notify the Commission that as of yesterday, September 27, 2017, KTUM-FM is once again operating at full power, licensed operations.

By way of brief summary, pursuant to BSTA-20161020ABB and BESTA-20170417AAX, KTUM-FM had been operating about 60% reduced ERP since late October 2016 as a result of damage to the station's transmitter. Those repairs have been completed and KTUM-FM is once again operating at full, licensed power of 100 kilowatts ERP.

Accordingly, the Commission's records should now reflect that KTUM-FM is now operating at full power, licensed operations. Should any questions arise concerning these matters, please contact the undersigned.

Sincerely,

Cary S. Tepper
