Request for Special Temporary
Authority to Remain Silent

Dear Mr. Lepore:

This letter concerns the request you filed on October 6, 2017, on behalf of Arso Radio Corporation (ARC), for Special Temporary Authority (STA) to permit AM Radio Station WUNO to remain silent.

ARC's request states that Station WUNO(AM) went silent on September 20, 2017, for technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

ARC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WUNO(AM) to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WUNO(AM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., September 21, 2018.**²

ARC is required to notify the Commission when broadcast operations resume. If ARC does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.³

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.⁴

Sincerely,

Lisa Scanlan
Deputy Chief, Audio Division
Media Bureau

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter.
