Re: Notice of Oral *Ex Parte* Presentation; MB Docket No. 17-85

Dear Ms. Dortch:

On October 30, 2017, the undersigned counsel for Entercom Communications Corp. (“Entercom”) spoke via telephone with Michael Wagner, Assistant Chief of the Audio Division. The conversation was in response to a question from Commission staff regarding the list of post-consummation officers of Entercom set forth in Section IV.C. of the Comprehensive Exhibit, as amended, submitted with the transfer of control applications in the above-referenced docket. Specifically, we discussed Eugene D. Levin, Michael E. Dash, Jr, and Joseph M Field, individuals set forth as post-consummation officers of Entercom in the Comprehensive Exhibit but not listed as officers on Exhibit G to the Agreement and Plan of Merger dated February 2, 2017, as amended, in connection with the transactions (the “Merger Agreement”).

The undersigned explained that such individuals were among those “other officers of [Entercom] to be determined by [Entercom] after reasonable consultation with CBS” as set forth in Exhibit G to the Merger Agreement, and that the list of officers in the Comprehensive Exhibit therefore was accurate.
