Dear Mr. Morris,

Pending before the Video Division is my Petition for Reconsideration of the dismissal of my application for conversion to Class A status of WWBP-LP, Freedom, PA, BLTTA-20010712ADT. After MY review of the procedural history of this application I no longer wish to pursue this appeal. I therefore respectfully request voluntary dismissal of my pending Petition for Reconsideration. This dismissal request is not part of a settlement with any other party nor have I received compensation for this request.

Thank you for your assistance with this matter.
