Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Jazzo:

This letter concerns the request you filed on November 1, 2017, on behalf of Salem Media of New York, LLC (SMNY), for extension of Special Temporary Authority (STA) to permit FM Translator Station W283BR to remain silent.

Commission records reflect that SMNY stated that Station W283BR went silent on January 23, 2017, pending the proposed modification of its facilities. The previous STA was granted on May 8, 2017, and expired on November 4, 2017. SMNY requests extension of its STA because its modification remains pending. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

SMNY's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W283BR to remain silent until January 23, 2018. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W283BR will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., January 24, 2018.**¹

SMNY is required to notify the Commission when broadcast operations resume. If SMNY does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Deputy Chief, Audio Division
Media Bureau
