Considerations: Requests for extension of STA may be granted only where the licensee can show that one or more of the following criteria have been met:

- · Restoration of licensed facilities is complete and testing is underway;
- · Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.
