Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Cole:

This letter concerns the request you filed on January 5, 2018, on behalf of Craven Community College (CCC), for extension of Special Temporary Authority (STA) to permit FM Translator Station W201AO to remain silent.

Commission records reflect that CCC stated that Station W201AO went silent on April 28, 2017, pending the proposed modification of its facilities. The previous STA was granted on July 10, 2017, and expired on January 6, 2018. CCC requests extension of its STA because the modification remains pending. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

CCC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W201AO to remain silent until April 28, 2018. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W201AO will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., April 29, 2018.¹**

CCC is required to notify the Commission when broadcast operations resume. If CCC does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Deputy Chief, Audio Division
