**Re: Emmis Radio License, LLC
Request for Cancellation of FM Booster License
KFTK-FM2, St. Louis, MO (Facility ID No. 73891)**

Dear Ms. Dortch:

On behalf of Emmis Radio License, LLC, licensee of FM booster station KFTK-FM2, St. Louis, Missouri, facility id. 73891, we hereby request the cancellation of FM booster license BLFTB-19940930TD. This FM booster is no longer in use. A reference copy of the license is attached for ease of reference.

If any questions should arise concerning this matter, kindly contact the undersigned directly.

Respectfully submitted,

Kathleen A. Kirby

United States of America
FEDERAL COMMUNICATIONS COMMISSION

File No.: BLPTB-940930TD

16. Obstruction marking specifications: In accordance with the following paragraphs of FCC Form 715
None Required
17. Conditions: Not Applicable

The Commission reserves the right during said license period of terminating this license or making effective any changes or modification of this license which may be necessary to comply with any decision of the Commission rendered as a result of any hearing held under the rules of the Commission prior to the commencement of this license period or any decision rendered as a result of any such hearing which has been designated but not held, prior to the commencement of this license period.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained, so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the terms of this license, render such service as will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequencies designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the rights herein granted shall be transferred, assigned, or in any manner either voluntarily or involuntarily disposed of, or indirectly by transfer of control of the licensee, if a corporation, to any person without the written consent of the Commission. This license is subject to the right of use or control by the Government of the United States conferred by Section 608 of the Communications Act of 1934.
