Special Temporary Authorization

Dear Counsel:

to operate Station KFAI with temporary facilities. In support of the request, FAI states that, FAI requests extension of the special temporary authority ("STA") granted on February 28, 2007, transmitter site, and that the application remains pending following loss if its licensed site, it has filed Application BPED-20070220ABR to relocate the This is in reference to the request filed August 16, 2007, on behalf of Fresh Air, Inc. ("FAI")

of the following criteria have been met: Requests for extension of STA will be granted only where the licensee can show that one or more

- Restoration of licensed facilities is complete and testing is underway;
- of licensed operation; or Substantial progress has been made during the most recent STA period toward restoration
- the licensee's control, and the licensee has taken all possible steps to expeditiously resolve No progress has been made during the most recent STA period for reasons clearly beyond the problem.

extension of STA is warranted to allow time for construction of the newly-authorized facilities. Our review indicates that Construction Permit BPED-20070220ABR was granted on November 2007; thus, the licensee has made substantial progress toward restoring licensed operation and

continue to operate with the following facilities: Accordingly, the request for extension of STA IS HEREBY GRANTED. Station KFAI may
