Arthur,

In our license application we made a typographical error in the question regarding wavelength of the PSI antenna. The value of 115.8 was incorrectly entered in place of the actual value of wavelength spacing which is 0.5. Please dismiss our application BMPH-20180228AAP.

Thanks for your assistance!

Mr. Ishmael:

Please give me a call regarding discrepancies in the license application File No BLH-20171018AAA for FM Station KZRN, Hettinger, ND. My telephone number is (202) 418-2715.

Thank You
