Subject: KXYQ-LP BSTA-20180419ADH DISMISSED 4/20

The STA request for KXYQ-LP will not be granted, and it IS DISMISSED. No STA operation is authorized.

Instead, a construction permit application, electronically filed on FCC Form 318, must be submitted for the proposed new site or for any parameters not presently specified in license BLL-20180226AAL. No operation with such facilities may commence until the construction permit is granted.

When you file an acceptable construction permit application, we will process it expeditiously. Please notify Gary Loehrs of our staff at the time the application is filed, at gary.loehrs@fcc.gov.

If KXYQ-LP must go silent, please also submit a silent station notification to the FCC.
